

**ONE JOB. ONE SOURCE.
ONE LESS THING TO WORRY ABOUT.**

TAMKO® performance begins at the top with quality roofing products—from our established asphalt residential and commercial brands to premium offerings like Lamarite® Composite Shingles and METALWORKS® Steel Shingles. But the performance doesn't end there. EverGrain® and Elements® Composite Decking and Railing, Tam-Rail™ Railing, superior above- and below-grade waterproofing options, asbestos-free cements and coatings, and ventilation products are also available from TAMKO. Nationwide delivery and mixed truckloads help assure convenience and affordability. And the TAMKO commitment to customer service is second to none. Call or visit us on the Web for more information.
